TECH NEWS

VOL. XI

WORCESTER, MASS., JANUARY 27, 1920.

NO. 16

TECH NIGHT

Well, boys, how did you come out this term? That's fine! What do you say if we go down and celebrate? Manager Meehan and his theatre are getting lonesome for a little noise, so I think we ought to pull off Tech Night pretty quick.

It ought to be pretty good this year, because shimmie dancers are plentiful, and any pretty miss that can shake a nasty hoof certainly is appreciated. Mr. Meehan is a great friend of the boys and certainly will do his best to put on a show that will make them forget their troubles.

Now, we should give the Freshmen a little advice as to how to behave. First and foremost, behave like a gentleman. That means, you can do anything except make faces at the drummer, and he doesn't like that. Bring all the noise-makers, confetti and serpentine that you can find, but please don't bring any shavings from pattern shops, the rat-hole needs all of them to make sausage.

There is one thing to remember, Tech night is fast approaching. All you are required to do is save a little energy and make it the night of nights.

MUSICAL CLUBS ARE POPULAR

The Tech Musical Clubs are now booked for three concerts in February, as follows:

On Feb. 6, under the auspices of the Kiwanis Club of Worcester, the three clubs of the Musical Association will give a concert in Horticultural Hall. The concert will be followed by dancing with music by the Tech Orchestra.

The Pleasant street Baptist church will hear the whole Musical Association on Tuesday, Feb. 10, 1920.

In Westboro on Friday, Feb. 13, the American Legion of that place will conduct a concert and dance, the concert being by the three musical clubs and the Tech Orchestra playing for the dancing.

RELAY TEAM STARTED

The relay team, under the watchful eye of Coach J. Fred Powers is rounding into shape in a manner which promises Tech a good place in the coming B. A. A. meet on February seventh.

Manager E. H. Root has arranged for the team to compete next Saturday afternoon with M. A. C. at Amherst. This will afford an opportunity to the team for getting into trim for the race with Bowdoin at Boston next month.

WORCESTER INDUSTRIES TO BACK THE INSTITUTE

Scholarships and Endowment Progressing Rapidly

Worcester manufacturers and business men have already pledged 22 scholarships of \$10,000 each, for the benefit of Worcester students; and over \$108,000 has been secured for the general endowment fund, not including George I. Rockwood's gift of \$50,000. These were the principal developments of a gathering held in Alumni Gymnasium on Monday evening, Jan. 26,—a dinner attended by 125 of Worcester's most prominent manufacturers.

R. Sanford Riley, who is chairman of the committee on industries, in connection with the endowment campaign, arranged the affair, and presided. The claims of the school for public support were presented by President Hollis, and by Aldus C. Higgins, who is president of the Alumni Association.

At this dinner was developed a revival of the "Worcester idea" of the founders, who, back in the early sixties planned an institute offering free technical education to all young men of Worcester. Local manufacturers are being urged to found scholarship funds of \$10,000 each, the income from which will be used to provide free tuition for all their employees or employees' sons who can pass the entrance examinations. This plan cannot fail to benefit directly both manufacturers and employee, as well as the community at large, and is being adopted with enthusiasm.

At the dinner itself the following announcements were made of scholarships already pledged:

Aldus C. Higgins for Norton Co.	5
Paul B. Morgan for Morgan Construction Co.	4
George F. Fuller for Wyman, Gordon Co.	4
C. S. Willard for Graton & Knight	4
Lucius C. Knowles for Crompton & Knowles Loom Works	3 to 5

Y. M. C. A. NOTES

The pool table in the Y. M. C. A. rooms has been recently repaired and recovered. In the future, a fee of five cents per half hour per man is to be charged for the use of the table. It is hoped that the students will understand the necessity for this fee, and that the table will be used as frequently as in the past.

THREE MORE VICTORIES ADDED TO THE STRING

M. A. C., Trinity, Springfield, All Fall in Line

TECH RETURNS TWO DEFEATS HANDED OUT LAST YEAR

Saturday night, from a hard and closely contested struggle with Springfield Y. M. C. A. college on their floor, our quintet emerged victorious by a two point lead, 33-31. This forms the fourth link in an unbroken chain of victories. Springfield College is one of our best opponents. That we should have beaten them at basketball means pure and simply that we know how to play the game; that our team is a real team. It will take a mighty clever five to get ahead of them this year.

The contest started with the ball continually on Springfield's end of the court. Six successive times was it tossed for the basket before Springfield got even one shot at our ring. Berry then scored the first floor goal amid loud cheering and cries of "Oh, Tom." Springfield led through the first half, finishing with the score at 14-9. But Tech showed her characteristic comeback in the second half. After about eight minutes play we were leading by a four point advantage. The game was a series of wonderful block plays on one side and clever dodging and short passing on the other.

With seven minutes left to play and the score 28-25 in our favor, Berry was taken out with four personals against him. It looked a bit tough. Archibald went into center, while White took his place at guard. Then we got two more baskets. We were only two points ahead when Archie saved the day with his marker, for Bennett followed immediately with another, which would have tied the score.

Berry exhibited rare skill on the floor. Dribbling down the middle of the floor, seemingly with all intentions of taking a shot for the basket, he would suddenly fool everyone by shooting it to Stoughton or Campbell, as they stood unguarded on the flanks. If his guards tried to stop that, he tossed them in himself. Archibald deserves credit for breaking up the opponents' plays very often. Stoughton showed very creditable floor work. Every man deserves praise; they were all fighting—working as smooth as clock-work.

For the Springfield team, O'Donnell's free try shooting was marked. He scored nine points out of a possible thirteen in this way. Bennett showed speed on the floor and cleverness in fooling his guards—to some extent.

The gymnasium was well filled, about five hundred fans witnessing the game. Banners of all classes for the past twenty years decorated the hall while at one end of the bleachers could always be heard a small by comparison, but loyal and windy group of Tech rooters. A dance by the freshmen in honor of the two teams followed.

Lineup:

W. P. I.—33	31—SPRINGFIELD
Stoughton lf	rg Lash
Campbell rf	lg Mansfield
Berry c	c Eggebrecht
Pickwick lg	rf Bennett
Archibald rg	lf O'Donnell

Baskets from floor, Stoughton 4, Berry 4, Campbell 3, Pickwick, Archibald, Bennett 5, O'Donnell 3, Eggebrecht 2, Fallon. Goals on free tries, Berry 6, Stoughton, O'Donnell 9. Referee, Aspinwall of Springfield. Time, twenty minute periods.

TECH TRIMS FARMER'S QUINTET FROM M. A. C.

On January seventeenth, our basketball five played the M. A. C. quintet to a standstill on our floor. It was a game to gladden the heart of a Tech man. Our boys took just about one minute to get going and once they started, nothing stopped them until the final blast of the whistle. It was then found that our comptometer registered 27 points while theirs only showed 13.

The M. A. C. team rather surprised many of the fans. It had been current news during the past week that the M. A. C. team was speedy. Many asserted that Tech would have a hard task to keep them from scoring. Everyone believed it would be a close game. It was—for the first three minutes. After that the fans (for they

EDITORIAL

The endowment campaign is swinging into its stride. Alumni, faculty and trustees are all bending their efforts toward the final goal. Each one is being called upon to do his part toward the raising of the money which Alma Mater needs.

They are all doing this for us—the undergraduates. This unselfish giving of time and money is being done for us and those who will come after us. At this time it might be proper to ask ourselves what part we have assigned OURSELVES in this campaign.

While at this stage in the game most of us cannot help by swelling the fund by donations of money there is something that we can do. It is something which has always been our duty and at this time must be fulfilled. That is to advertise.

To go about like the town-crier of Nantucket shouting the merits of Worcester would indeed be a far-fetched

idea. But every day, every time we go home for a week-end or a vacation we are met with the salutation, "How's school?" or something to that effect. It is our duty to start right then and there and do a little mission work for Tech. And if each one of us takes the attitude of an earnest salesman we will be doing something for Tech.

We are stockholders in a company. We are, in a way, trying to increase our capitalization. If the issue is to be carried more advertising than the splendid pointed plan of the committee is needed. We individually are the promoters of the company. Let no man be accused of shirking his duty in this, the smallest thing he can do for the school he has picked for his Alma Mater.

Now! The mid-year examinations are over and we are starting in on a new term. Let's all see what we can get out of it.

Perhaps last term's marks weren't all that we wish that they were. But that is no reason why we should go around full of complaints and blaming the instructors, the books, and in fact, nearly everything but ourselves. If we think it over we may possibly have had a little to do with it ourselves. The instructor in a certain subject may have been down on us, but—and here is the main point,—what caused him to get down on us? Think it over a bit. Let's all get together and show him that we can learn enough to pass his course and pass it with a good margin. Worcester Tech isn't such a bad place after all. There are two things that we can do to help it and incidentally to help ourselves. First, study and pass our courses and hold up the scholastic records of the Institute. Second, let other people know that Tech is a great place and is still living up to its reputation of turning out real technical men. Let's not go out with that chronic grouse on our face, disparaging the Institute and our instructors. Those same instructors have turned out great men and are still capable of turning out more. Let's all get together and show them that we are in the running and going strong. The Alumni are backing us with an endowment fund and it is up to us to show them that we appreciate it and are worth it. We can all get together and back the Institute, the faculty and the athletic team. Now! What do you say? Let's make it a banner year for Tech!

TECH SHOW UNDERWAY

Poster Contest Announced

The management of the 1920 Tech Show has announced that "Officer 666" will be given on March 25th and 27th in Tuckerman Hall. This play has many humorous parts in it and promises to be a big attraction when given by talent from the Hill.

First tryouts for the show were held this week on Tuesday and Wednesday evenings at 7 p. m. in room 19, Boynton Hall. The cast has been picked

and will hold the first rehearsal next
Monday evening.

Advertising Manager Howard E. Drake, '21, has announced the usual poster contest. All posters to be in this contest must be in his hands by midnight, February 21. They may contain any matter whatsoever either with or without the name of the show. The date, time, place, etc., of the show need not be included, but a space where these may be put in must be left. Posters should be of such proportions that they may be reduced or enlarged to the usual poster dimensions of fourteen by twenty-two inches. Either dimension may be the vertical one.

The prize for the poster winning the contest is five dollars. The judges are the four managers of the show. The winning poster will be the one that in their opinion is the most suitable one to be used in advertising the show. The cost of engraving cuts with which to print the poster will be considered. Contestants should bear this in mind; a separate zinc cut must be made for each color used in the poster. Further information may be obtained from Advertising Manager Drake.

STRAW VOTE FOR PRESIDENT HELD

The four classes at Tech are to hold a straw vote this week to determine the Institute's choice for the next President. The voting is in charge of Professor George W. Haynes and the results will be announced in an early issue of the NEWS.

Three More Victories Added to the String

(Continued from Page 1, Col. 4.)

were mainly Tech rooters) just sat back and smiled in satisfaction.

"Tom" Berry was the star of the evening. He showed so much speed and skill with the ball and worked so smoothly with the other players that he fairly dazzled the visitors. The Aggie backs did their best to hold him, but 'twas useless. During a little offensive by Berry, Stoughton, and Campbell, "Hank" Gowdy, guarding for M. A. C., was heard to yell, "Take that man Berry—I can't hold 'im." And apparently no one else could.

There were two noteworthy events in the game. One was the caging of three baskets by "Jack" Archibald, left guard. The other was the caging of two or three heart warmers by Berry from the middle of the floor—you know the kind, they go through the ring so clean, that no one is sure they did go through until he sees the W. P. I. score advance two points.

"Jimmy" Whelpley got in the game in Campbell's place just before the end. But unfortunately it was not soon enough to get a shot at the basket.

Lineup:

W. P. I.—27	13—M. A. C.
Campbell rf	lg Gowdy
Stoughton (Capt.) lf	rg Stedman
Berry c	c Kroeck
White rg	lf Grayson (Capt.)
Archibald lg	rf Pond

Baskets from floor, Berry 6, Stoughton 3, Archibald 3, Pond 3, Grayson, Kroeck, Thompson. Goals on free tries, Berry 3, Grayson. Replacements, Whelpley for Campbell, Lent for Stedman, and Thompson for Kroeck. Referee, Tower from Andover. Timer, R. P. Johnson. Twenty minute halves.

Preceding this game, the second team was defeated in a close game with North High School, 17-11.

Lineup:

T. S.—11	17—N. H.
Clark rf	lg Fox
Brown lf	rg O'Connell
Pearson c	c Bunker
Hyde rg	lf Logan
Colesworthy lf	rf Quinn

Baskets from floor, Quinn 3, Fox 3, Logan 2, Bunker, Clark 2, Brown 2. Goals from free tries, Brown 3, Logan 2. Pearson replaced by Johnson. Same officials.

Last Friday night our crack basketball team visited Hartford to play Trinity College and left victorious. The Trinity players, although they did not have much to boast of in the basketball line, kept the game very close until long into the second half. Luck in shooting from the middle of the floor was the main cause of their scoring. Little cleverness could be found in their floor work. Snappy guarding by both sides featured the game.

About the middle of the second half with Trinity in the lead by two points, Berry saved the day by scoring two baskets in succession. "Cap" Stoughton followed with another to keep the ball rolling, so we piled up a good lead before the game was over.

Lineup:

W. P. I.—26	16—TRINITY
Capt. Stoughton lf	rf Van Orden
Campbell rf	lf Racine
Berry c	c Brill
Pickwick lg	rg Tansill
Archibald rg	lg Capt. Nordlund

Baskets from the floor, Campbell 4, Berry 3, Stoughton 2, Pickwick, Archibald, Racine 2, Brill, 2, Tansill 2, Canner. Goals on free tries, Berry 2, Stoughton 2, Racine 2. Replacements, Canner for Brill, White for Pickwick, Trombly for Campbell, Referee, Brennan. Timers, Bruce and Herr.

JUNIOR CLASS ELECTIONS

At a meeting of the Junior class, held Tuesday noon, the following officers were elected for the remainder of the year:

President—W. W. Campbell.
Vice President—P. K. Davis.
Secretary—L. R. Smith.
Treasurer—P. S. Sessions.

The following committee was appointed to have charge of the Junior Prom:

C. A. Callahan, R. G. Ferguson, P. K. Davis, H. S. Hunting, M. D. Chase, R. E. Chapman, C. E. Skroder, H. H. Gleason.

STILL OPTIMISTIC

One of our esteemed professors of the Institute says that the world did not come to an end last Wednesday because there isn't yet any reason for it to do so.

Whereupon some brilliant Columbus the second was heard to remark that the world couldn't come to an end because it is round.

FROM OTHER COLLEGES

Dartmouth—The athletic council is planning a unique indoor sport carnival the proceeds of which are to go to the hospital fund. Various teams are to stage exhibition matches. The wrestling team representing Dartmouth will make its first appearance at this time.

M. I. T.—It is the intention of the War Department to send each year twenty-five or thirty West Pointers, upon graduation, to M. I. T. for further instruction.

The idea underlying this plan is that the War Department realizes that the training at West Point does not give future army officers adequate technical instruction or knowledge. Therefore, the most promising men of the military academy are to be sent to the Institute for at least one year of intensified instruction in the technical and engineering subjects to be assigned them.

Colby—The Colby Athletic Association has announced that John B. McAuliffe, of Worcester, has been engaged as football coach for next fall. Tech men who remember "Jack" when he coached here in 1917 wish him the best of luck.

THE LILLE FUND

The "TECH NEWS" has received a letter from the Lille Fund Committee consisting of the following men: Marshal Foch, Cardinal Gibbons, Admiral Sims, William Howard Taft, Pres. Nicholas Murray Butler and James Byrne. With this letter was "A Plea to the Alumni of the American Universities for the Lille Hospitals and University" by Prof. Henry Van Dyke. We are very sorry that we could not print this plea but only lack of space prevented.

It is hoped that our Alumni will respond to this most excellent cause. A dollar from each alumnus of American universities is all the committee asks. Send your contribution to the Editor of the "NEWS" or directly to the Lille Fund, care of Henry Clews & Co., Bankers, 15 Broad Street, New York. Mention W. P. I.

NOTICE!

Beginning this week the TECH NEWS exchanges will be placed in the reading room at the Y. M. C. A. the first part of each week.
